

2014 CABERNET SAUVIGNON

A TRADITION OF SUSTAINABLE WINEGROWING

As a fifth generation farm family, sustainable winegrowing is a way of life. We learned early on that to be generational we must be sustainable. As a result, our dedication to improving vineyard practices and health of our surrounding natural environment is how we farm. After nearly 30 years, agriculture continues to be the core of who we are and in 2006 we opened our own winery to show that great wine begins in the vineyard. Our 2014 Cabernet Sauvignon carries on this proud tradition of sustainable winegrowing.

GROWING SEASON

After a cold snap in December 2013, the 2014 growing season transitioned to a mild winter and spring. With the current drought conditions we welcomed the late February and early March rains that were well-timed and kept the vines growing. Consistent sunny weather from mid-March on led to early bud break in the vineyards as temperatures rose. A few weeks of warm weather in the late summer months allowed the winegrapes to ripen early, making 2014 one of the earliest harvests on record. On the vine, most varietals had loose clusters that resulted in even veraison, bringing about uniform ripening which is necessary for winegrapes to develop great flavors and color. With average yields and great quality, the 2014 season produced another unique vintage.

VINEYARD NOTES

Our LangeTwins Estate Cabernet Sauvignon draws on winegrapes our estate vineyards in the center of the Lodi Appellation. From gentle rolling vineyard floors to the influence of a nearby river, each vineyard has unique attributes that are essential to the consistent style and quality.

WINEMAKER NOTES

With a welcoming aroma of fresh ripe cherries, our 2014 Estate Cabernet Sauvignon is immediately approachable. The initial cherry flavor carries over to the palate and extended maceration gives a natural lushness with broad yet developed tannins. With 20 months in predominately French Oak barrels, rich oak notes complete the wine.
