# SAND POINT

FAMILY VINEYARDS

## WHERE FAMILY AND NATURE MEET

*Sand Point is a special place in Acampo, California where members of our family have enjoyed spending time and appreciating the beauty of nature. In the midst of our vineyards lies a river basin with surrounding native plants and animals. Our family has upheld the landscape to ensure future generations can have their own joyful times alongside nature. Our devotion to Sand Point is the same dedication we have for winegrape growing.*

*Our family has been farming the land surrounding Sand Point since the late 1940's - following the end of World War II. This was long before the region was designated an American Viticultural Area, which happened in 1986.*

*The sustainably certified Merlot vineyard is west of Sand Point in the Clarksburg Appellation. The profound maritime influence of the Sacramento Delta provides the perfect conditions for quality wines. - The LangeTwins Family*

## TASTING NOTE

Dense ripe strawberry and cherry cola aromas and flavors are the core of our fruit-forward 2015 Pinot Noir. With French Oak aging for one year, there is a hint of autumn spice that melds into the opening notes, creating a smooth and balanced wine that is easy to enjoy.

WINEMAKER	<i>Karen Birmingham</i>
