

## 2015 OLD VINE ZINFANDEL

### A TRADITION OF SUSTAINABLE WINEGROWING

As a fifth generation farm family, sustainable winegrowing is a way of life. We learned early on that to be generational we must be sustainable. As a result, our dedication to improving vineyard practices and health of our surrounding natural environment is how we farm. After nearly 30 years, agriculture continues to be the core of who we are and in 2006 we opened our own winery to show that great wine begins in the vineyard. Our 2015 Old Vine Zinfandel carries on this proud tradition of sustainable winegrowing. -Enjoy! Randall and Brad Lange (The Twins)

### GROWING SEASON

The heavy rains in December 2014 coupled with sporadic spring storms slightly eased the early season vine stress due to California's ongoing drought conditions. Warm windy days and cooler than average nights in April and May led to slow crop development as well as small berry and cluster sizes. We did see warmer than average temperatures in June and typical July weather that resulted in an early, intense harvest with lower yields on average. The season began almost three weeks ahead of normal and was completed by the end of September. Throughout the season, we worked hard to keep up with the fast paced harvest to deliver winegrapes at the optimal time with our winemaking team loving the concentrated colors and fruit flavors.

### VINEYARD NOTES

This is a blend of the best performing Zinfandel vineyards. The vineyard techniques are focused and precise to deliver winegrapes that have a distinct concentration of fruit flavors ideal to make a well-balanced wine.

### WINEMAKER NOTES

Crafted from our top Zinfandel vineyards in the Lodi Appellation our 2015 Old Vine Zinfandel expresses a refined balance between the fruit and spice the varietal is known for. Aromas of rich and dense raspberry carry through to the palate where they are met with warm spice and structure from eighteen months of aging in predominantly American oak barrels.
