

2017 SANGIOVESE ROSÉ

A TRADITION OF SUSTAINABLE WINEGROWING

As a fifth generation farm family, sustainable winegrowing is a way of life. We learned early on that to be generational we must be sustainable. As a result, our dedication to improving vineyard practices and health of our surrounding natural environment is how we farm. After nearly 30 years, agriculture continues to be the core of who we are and in 2006 we opened our own winery to show that great wine begins in the vineyard. Our 2017 Sangiovese Rosé carries on this proud tradition of sustainable winegrowing.
-Enjoy! Randall and Brad Lange (The Twins)

GROWING SEASON

The 2017 growing season marked the end of the drought with heavy winter rainfall that continued into the spring. Due to the rain, timely vineyard practices were crucial and we adapted our cultural techniques to maintain vine balance. Heat spikes during late August to mid-September required close attention to irrigation to ensure vine health. With the given weather, our winegrapes developed the required sugars, but full flavor maturation delayed our harvest. The wait was worth it and the outcome was a vintage that boasts bright and fresh whites with ideal levels of acidity and red wines that are showing good intensity and concentration.

VINEYARD NOTES

Across Jahant Road from our winery in the heart of the Lodi Appellation sits our Sangiovese vineyard. It thrives in our dry region allowing the winegrapes to take their time to develop, budding early and ripening slowly. This lengthy growing season creates richness and intense flavors.

WINEMAKER NOTES

With an alluring vibrant pink color, our 2017 Sangiovese Rosé is delightfully refreshing. Opening with juicy aromas of watermelon and strawberry, the same fruit notes carry over to the palate and are balanced by bright acidity. These smooth flavors and a lasting finish will leave you wanting another sip.

WINE STATISTICS

Varietal. Sangiovese Rosé	Appellation. Lodi
Vintage. 2017	Alcohol. 12.6%
Winemaker. David Akiyoshi	Estate Grown
Winegrowers. LangeTwins Family	Certified Sustainable
